## **Two models at Surfledge at Indian River Shores win Platinum in Parade of Homes**

**VERO BEACH, FL/ APRIL 2021** – The Lutgert Companies is pleased to announce that two of their models at Surfledge at Indian River Shores have won Platinum in the 28<sup>th</sup> Annual Parade of Homes. The event, hosted by The Treasure Coast Builders Association, featured models located throughout Martin, Indian River and St. Lucie Counties.

Winning Platinum in Category 10 – Under \$1.75 Million in Indian River County, was Lutgert’s Sandbar model, while winning Platinum in Category 11 – Over \$1.75 Million in Indian River County, was the company’s Sea Shell model. The Platinum award is the highest award in all categories. The models were judged by a group of 9 professionals from outside the Treasure Coast area. They compared exteriors, interiors, kitchens, bathrooms, bedrooms & other unique features. The entries were scored and those scores were tabulated and compared with one another. The categories were established based on sales price and the upgrades as seen in each model. The Platinum award winners are now eligible for the Grand Award which will be announced at the TCBA’s Annual Dinner.

“We are honored to have received not one, but two Platinum awards for our models,” said Mike Hoyt, Senior Vice-President of The Lutgert Companies. “While the pace of sales at Surfledge has been a testament to how wonderful these homes are, it’s always rewarding to receive that acknowledgment by our peers. We must give credit to our entire team for designing and building these award-winning models.” The announcement comes days before the community is set to celebrate the groundbreaking of the oceanfront condominiums at Surfledge.

Only one single family home, the Sandbar model, remains for sale at this time and will be sold with a leaseback from the developer. This beautiful home has 3 bedrooms, 3 and a half baths, 2 car garage and an amazing outdoor living area.

The gated electronic access-controlled community will feature 12 single-family homes and 12 luxury condominiums. The three condo floor plans range in size from 2,800 square feet to 3,100 square feet, with prices between \$2.5 to \$3.5 million. The single-family homes range from 3,018 square feet to 3,513 square feet with pricing from \$1.76 to \$1.85 million, depending on the model and location of the lot.
